Aqua (Water)	75.0-85.0%																																																			
Isobutane/Propane /Butane	10.0-20.0%																																																			
Polyquaternium-4	1.00-3.00%																																																			
Propylene Glycol	1.00-3.00%																																																			
Polyquaternium-68	<1.00%																																																			
C9-11 Pareth-8	<1.00%																																																			
Sodium Phosphate	<1.00%																																																			
PEG-40 Hydrogenated Castor Oil	<1.00%																																																			
Panthenol	<1.00%																																																			
Parfum (Fragrance)	<1.00%																																																			
Hydrolyzed Elastin	<1.00%																																																			
Hidroxypropyltrimonium Honey	<1.00%																																																			
Diazolidinyl Urea	<1.00%																																																			
PEG/PPG-20/6 Dimethicone	<1.00%																																																			
Cetrimonium Chloride	<1.00%																																																			
Methylparaben	<1.00%																																																			
Propylparaben	<1.00%																																																			
Hexyl cinnamal	<1.00%																																																			
Alpha Isomethyl Ionone	<1.00%																																																			
Linalool	<1.00%																																																			
Citronellol	<1.00%																																																			
Geraniol	<1.00%																																																			
Limonene	<1.00%																																																			
Butylphenyl Methylpropional	<1.00%																																																			
			Densidad Density	1.020 g/ml																																																
			Viscosidad Viscosity	≤ 210 cps																																																
			Materia activa Active matter	--																																																
			Turbidez Turbidity																																																	
			PH 1% disol.	7.3																																																
			PH Conc.																																																	
Envase / Packaging: 210 ml			Dpto. Técnico / Technical Department:
